A MESSAGE FROM THE CEO

Since launching the Indigenous Prosperity Forum in 2019, this gathering has grown into one of the key national spaces driving the future of the Indigenous economy. Each year, leaders, innovators, and partners come together to push the conversation forward, and 2026 is shaping up to be our most ambitious forum yet.

Indigenous entrepreneurs and communities are leading in areas such as procurement, clean energy, technology, trade, and data-driven decision making, supported by decades of impact from the Indigenous Financial Institution (IFI) network. The 2026 Indigenous Prosperity Forum will deepen conversations around innovation, economic infrastructure, international opportunities, entrepreneurship, and the policy shifts shaping the path ahead, and will feature the Indigenous Prosperity Awards Gala to celebrate excellence across the network.

Your partnership helps strengthen and expand this work. Together, we can continue building a strong, dynamic Indigenous economy that drives shared prosperity for generations to come.

NACCA & THE INDIGENOUS FINANCIAL INSTITUTION NETWORK

The National Aboriginal Capital Corporations Association (NACCA) is a not-for-profit organization that serves a network of Indigenous Financial Institutions (IFIs) from coast to coast to coast who are leaders in the advancement of Indigenous prosperity.

Collectively, NACCA and the IFIs support First Nations, Inuit, and Métis entrepreneurs with financing, advisory services, and wraparound supports tailored to community realities. In almost forty years, the IFI network has provided billions of dollars in financing to tens of thousands of Indigenous small and medium-sized enterprises, contributing to jobs, services, and long-term community prosperity across Canada. NACCA serves as the national voice of this network and advocates for equitable access to capital and resources to ensure Indigenous businesses have the tools they need to thrive.

Benefits

NACCA
INDIGENOUS prosperity
FORUM

Partnering with the Indigenous Prosperity Forum is an opportunity to align your organization with one of Canada's leading platforms for advancing Indigenous economic growth. As a sponsor, your brand will be showcased throughout the event and across multiple channels, ensuring strong visibility and meaningful engagement with Indigenous entrepreneurs, industry partners, policy leaders, and the national Indigenous Financial Institution network.

Your sponsorship signals a concrete commitment to economic reconciliation and Indigenous prosperity. It positions your organization as an active contributor to the conversations shaping Canada's economic future and connects you directly with decision makers, innovators, and community leaders from across the country.

Core Benefits for All Sponsors

All sponsorships include a consistent foundation of visibility and recognition, unless otherwise noted in specific packages.

- Recognition on the Forum website with a link to your organization's website.
- Sponsor promotion and tagging on NACCA social media channels before, during, and after the event.
- Logo recognition on Forum signage in key locations such as entrances and hallways.
- Inclusion on the sponsor recognition page in the printed Forum program and on-screen in the main plenary room during breaks.
- Opportunity to provide one promotional item for delegate kits.

Official verbal recognition of sponsors during Forum opening and closing sessions.

These benefits ensure your brand is visible across the full Forum experience, from pre-event promotion to on-site activations and post-event communications.
